Use the text in each block to guide your development of a project-specific logic model.

**ProBLEM**

- The problem is defined in relation to OJJDP’s mission and must be one of the following:
  1. Juvenile Delinquency;
  2. Youth victimization;
  3. Improving systems/programs to address either problem 1 or 2 above.

**SUBPROBLEM(S)**

- This is the specific problem that the program/initiative will address.

  **What is the problem or issue that the program/initiative is designed to address?**

**ACTIVITIES**

- A general listing of the program efforts (events and actions) conducted to achieve its objective(s).

  **What will the program do?**

  For example, does your program offer direct prevention or intervention services to youth or families, conduct needs assessments, or provide training or technical assistance?

**OUTPUT MEASURES**

- These are measures of the program/initiatives process or implementation. The data demonstrate the implementation of the program/initiative’s activities.

  **What did the program produce?**

  Measures commonly include the numbers of youth and/or families served, number of service hours completed, and numbers of hours of training provided.

**OUTCOME MEASURES**

- Short term: These are quantitative measures of the initial results of the program. They are typically measured as of the end program.

  - What changes are exhibited by participants (or participating entities) approximately six to 12 months after participating in the program/initiative?

- Long Term: These are quantitative measures of the longer results of the program. They are measured six to 12-months post program.

  - This typically includes changes in knowledge, attitudes and awareness.
  - This typically includes changes in behaviors, practices, decision-making.
  - They may also include changes in social conditions (e.g., local arrest rates).

**Goal(s)**

- The goal must be defined in relation to OJJDP’s agency-level goals which are:
  1. Prevent and reduce delinquent behavior and victimization;
  2. Promote public safety by encouraging accountability for acts of delinquency;
  3. Address juvenile crime and victimization by supporting effective programs and practices.

**Objective(s)**

- A specific and measurable statements regarding what the program/initiative will accomplish.

  **What will the program achieve?**
